PEPPERMINT POPCORN

Ingredients

- 10 c popped popcorn
- 1/2 c finely crushed candy canes
- 12 oz white chocolate chips
(or vanilla almond bark)

Directions

Cover a baking sheet with foil or waxed paper and set aside. Separate any un-popped kernels from the popcorn; popped corn may go in a large bowl. Melt the white chocolate in a microwave-safe bowl, stopping to stir occasionally until smooth. Add 1/4 c candy canes to the white chocolate and stir them in. Pour chocolate mixture over the popcorn. Pour the popcorn onto the baking sheet and spread it into an even layer. Top with remaining crushed candy canes. Allow to cool then store in an airtight container. Enjoy!
