Winter 2022

Hey Kids,

Happy New Year! Have you been able to find things to do inside and outside? Are you looking for more winter activities?

First State Bank is offering the **Activity Chart Bingo** again for Kids Club members to complete. **Create a bingo and get a reward of a \$5 deposit to your savings account!** Check out the bingo chart on the back page and read the rules in the next column. **Turn in your Activity Chart Bingo showing your completed Bingo** to any First State Bank location **by January 31, 2022.**

There are a lot of activities to do with snow. Bundle up and make snow angels, build a snowman (or snow-dog!), make a snow fort, have a snowball fight and create different tracks and designs walking or drawing in the snow. Warm up with some hot cocoa or apple cider after playing outside.

If there isn't enough snow to build outside you can **create your own indoor snow** to play and make smaller snow figures. To create indoor snow, mix 5 cups of baking soda with 1 cup of hair conditioner or shaving cream. Just mix and create!

Check out the **Kids Club Winter Printables 2022 online at www.fsbwc.com** (then click on Personal Banking and select Kids Club) for more puzzles, games and ideas.

What other ideas can you think of to have some fun this winter?

Your friend,

Dollars the Dog

ACTIVITY CHART BINGO RULES

Please read the rules to meet the qualifications to receive this special promotion from First State Bank.

Complete an activity square: Mark each square when an activity is completed. If there are two activities in one square the activity may be chosen based on the child's ability or the child may complete both.

Make a bingo: A bingo is made by marking off five connected squares in a full column, or a full row, or on a diagonal. Filling every square in the chart is not necessary and is not further rewarded.

Turn in a chart with a bingo: Turn in the bingo chart showing a completed bingo **by January 31, 2022**, to any First State Bank location. One bingo per First State Bank Kids Club member will be awarded the \$5 deposit.

Receive deposit as reward in February: A Kids Club member meeting qualifications listed will receive \$5 in their First State Bank savings account **by February 15, 2022.**

Reward deposit: Maximum reward deposit per child is \$5. The child's savings account must be open to receive the \$5 credit. The deposit reward is forfeited if the account is closed prior to February 15, 2022. If the child has more than one savings account the deposit account preference may be written on the bingo chart; if no preference given, First State Bank will select which of the child's savings accounts to deposit reward. No exceptions or substitutions to receive the \$5 by savings deposit.

Kids Club members turning 13: The reward deposit will be honored for those Kids Club members who turn 13 during this promotion if the bingo chart is turned in meeting all qualifications.

Kids Club members who are infants/very young children: Mark off one square for every three books read to the young child to create a bingo.

ACTIVITY CHART BINGO

Kids Club Members: Complete a bingo to receive a \$5 deposit in your First State Bank savings account! A qualifying bingo must include five connected squares by a column, or row, or diagonal line.

Kids and Adults: Be sure to read and follow the Activity Chart Bingo Rules on page one of the Kids Club Newsletter Winter 2022 edition to receive the \$5 reward deposit to the child's savings account.

One bingo per First State Bank Kids Club member will be awarded the \$5 deposit.
