

# KIDS CLUB NEWSLETTER

www.fsbwc.com

Winter 2024

Hey Kids,

Happy New Year! Did you celebrate the New Year? Would you like to set goals to meet in 2024?

Check out the New Years Goals activity in the [Kids Club Winter Printables 2024 at fsbwc.com](#) (select Personal Banking, Savings, and go to the Kids Club and Dollars Savings area). And see the next page to earn some money!

First State Bank is offering the [Activity Chart Bingo](#) again for Kids Club members to complete. [Create a bingo and get a reward of a \\$5 deposit to your savings account!](#) Check out the bingo chart on the back page and read the rules in the next column. [Turn in your Activity Chart Bingo showing your completed Bingo](#) to any First State Bank location [by February 2, 2024](#).

We need nutritious energy to work on our goals and Activity Chart. I have an easy snack or breakfast idea to share: [Overnight Oats](#)! You will need the following ingredients and pint jar with lid (or similar container with lid).

**Ingredients:** 1/2 cup rolled oats, 1/4 cup Greek yogurt (any flavor), 1/2 cup milk, and 1 Tablespoon Chia seeds.

**Directions:** In a jar, add all ingredients and stir. Cover with lid and place in refrigerator at least 6 hours or overnight. Eat as is, or add fruit, nuts, or granola.

Sometimes I don't feel like doing chores, but there are ways to make it fun. Try timing yourself to see how fast you can get done, make a game by putting away things by color or type, or play music and sing along. What other ideas do you have to make chores more fun?

Your friend,

Dollars the Dog

## ACTIVITY CHART BINGO RULES

Please read the rules to meet the qualifications to receive this special promotion from First State Bank.

**Complete an activity square:** Mark each square when an activity is completed. If there are two activities in one square the activity may be chosen based on the child's ability or the child may complete both.

**Make a bingo:** A bingo is made by marking off five connected squares in a full column, or a full row, or on a diagonal. Filling every square in the chart is not necessary and is not further rewarded.

**Turn in a chart with a bingo:** Turn in the bingo chart showing a completed bingo [by February 2, 2024](#), to any First State Bank location. One bingo per First State Bank Kids Club member will be awarded the \$5 deposit.

**Receive deposit as reward in February:** A Kids Club member meeting qualifications listed will receive \$5 in their First State Bank savings account [by February 15, 2024](#).

**Reward deposit:** Maximum reward deposit per child is \$5. The child's savings account must be open to receive the \$5 credit. The deposit reward is forfeited if the account is closed prior to February 15, 2024. If the child has more than one savings account the deposit account preference may be written on the bingo chart; if no preference given, First State Bank will select which of the child's savings accounts to deposit reward. No exceptions or substitutions to receive the \$5 by savings deposit.

**Kids Club members turning 13:** The reward deposit will be honored for those Kids Club members who turn 13 during this promotion if the bingo chart is turned in meeting all qualifications.

**Kids Club members who are infants/very young children:** Mark off one square for every three books read to the young child to create a bingo.

# ACTIVITY CHART BINGO

**Kids Club Members:** Complete a bingo to receive a \$5 deposit in your First State Bank savings account! A qualifying bingo must include five connected squares by a column, or row, or diagonal line.

**Kids and Adults:** Be sure to read and follow the Activity Chart Bingo Rules on page one of the Kids Club Newsletter Winter 2024 edition to receive the \$5 reward deposit to the child's savings account.

*One bingo per First State Bank Kids Club member will be awarded the \$5 deposit.*
