

Step by Step Guide

1. Prepare your check

Endorsement Requirements

- For mobile deposit only to First State Bank
- Date of Deposit
- Signature
- Account Number (optional)

If you do not follow these requirements, your deposit may be rejected.

2. Log in to the Mobile App

The FSBWC App is required to use the Mobile Deposit Service. If you need assistance downloading the App, please visit our website fsbwc.com or contact a Personal Banker.

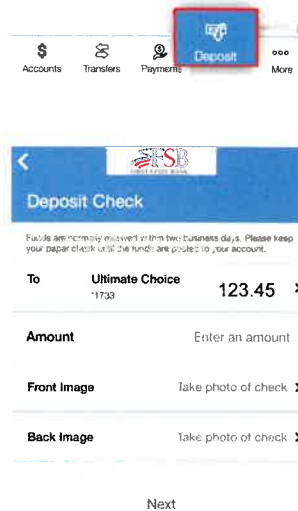

Visit the Terms and Conditions page of the FSBWC Mobile App for additional details and deposit restrictions.

3. Deposit your check

- From the home screen, select **Deposit**
- From the deposit screen, select **Deposit Check**

- Choose account you are depositing to
- Enter amount

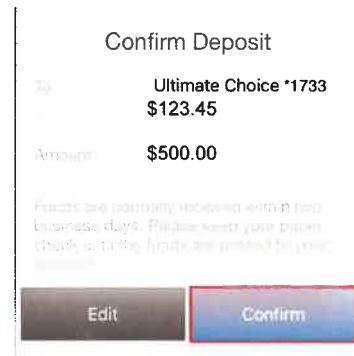

- Take a picture of the front and back of the check

Note: take photo against a dark background. You may have to retake the photo several times.

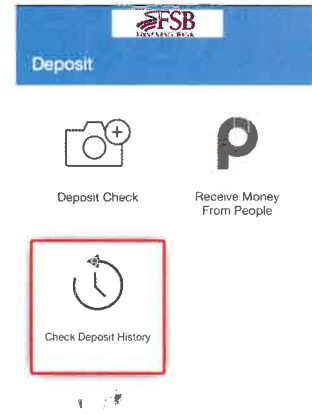

NOTE: You will need to keep the check safe for 30 days. After 30 days, the check can be destroyed. You do not need to bring the check to the bank.

- Confirm your deposit

4. Check the status

- From the home screen, select **Deposit**
- Select **Check Deposit History**

You can review the history of your deposits for up to 30 days.

Funds Availability

Funds will generally be made available no later than three business days from the day of deposit. If a deposit is received before 8 pm on a business day, that day is considered the day of deposit. Otherwise we will consider that deposit as made on the next business day.

Business days are Monday-Friday, except Federal Holidays. Visit our website or contact a Personal Banker for additional details.

What is Mobile Deposit?

Mobile Deposit is a FREE service that allows you to deposit a check directly into your eligible First State Bank account by simply taking a photo of the front and back of the check.
